Bad Kitty Series, by Nick Bruel

Big Nate, Jeff Kenny

Rainbow Magic by Daisy Meadows

Judy Moody, by Megan McDonal

How to Support your Young Reader

We are asking each child to read at least 3 books over the summer. They may be from the list above or of your personal choice.

Upon returning to school next year, students will be completing a mini book review and will give a book talk about the book of his/her choice.

Please use the reading log on the reverse side to record all of the books your child reads over the summer and return it to school with your child on the 1st day back. We will be using this information to create a graph.

In addition, we recommend keeping a writing journal during the summer. Students could even create an electronic journal which is a great way to improve students typing skills as well. These entries can be made up adventures or real life stories. Keep it fun. The journal entries may be helpful during the year for when we write our personal narratives.
